People who take pleasure in fine cigars look for restaurants where they are welcome to indulge in that luxury. Here are a few of the greatest restaurants around the country that recognize the enlightened tastes of true cigar aficionados and go out of their way to accommodate them. These restaurateurs know that customer service is paramount to the dining experience. That's why they display the symbol of accommodation. It means that whether you smoke or not, you'll be welcome. Look for the symbol in these and other fine restaurants across the country. **For free information about accommodation, please call 1-800-494-7444.**
